Living Water

- Small core of faithful orthodox Anglicans who could not continue in the Anglican Church of Canada
- With the help of Bishop Malcolm and meetings with the Venerable Charlie Masters we felt as a group that ANIC was the only way to go
- Living Water Anglican Fellowship became an official church plant on 1 January 2009

Praise God for...

- The help of Bishop Malcolm and ANiC staff
- His “peace that passes all understanding”
- His refining of us during this difficult process to make us more compassionate, more non-judgmental and more resolved to stand for Biblical truth
