His POWER in our weakness, Synod 2009

St Andrew's, Delta

- South Delta Project developed following the ANiC *Compelled by Christ's Love* conference held at the Baptist church in Delta in April 2008.
- The South Delta Project began to grow early in the summer of 2008 under guidance of the Venerable Dr Trevor Walters
- By September 2008, the project membership had increased to 16.
- Attendance at our bi-monthly evening services currently ranges between 20 and 25.

St Andrew's, Delta

- St Andrew was the apostle who brought people, and loaves and fishes to Jesus so He could transform them
- That is exactly the ministry we want to be involved in
- We are a group of dedicated, spirit-filled believers who love the LORD, with a history of more than 30 years of ministry together.

Vision

- To be a mission-oriented church
- Centre for teaching on healing & on the Holy Spirit
- Develop a vibrant children's & youth ministry
- 2010 – Plan to begin weekly Sunday services; then move to morning services as soon as we can find an appropriate facility
- Already prepared to start a children's ministry as soon as we attract some young families
- Anticipate supporting a full-time priest by late 2011

Praise

- For the shepherding of ANiC leaders and bishops, and support from ANiC & ACiC clergy
- For the involvement of Artizo students
- For a beautiful facility, a Mennonite church

Prayer

- That we would be faithful and that God is glorified
- For a music team
- For young families to join us
