## Parish Membership Declaration

□ *Biblical, Missionary, Uniting* □

To the glory of God the Father, the Son and the Holy Spirit,

We, the parish of \_\_\_\_\_ do hereby affirm our agreement and intention to uphold the Solemn Declaration of 1893 (B.C.P. p.viii) as the founding declaration of Anglicanism in Canada.

In view of this *Solemn Declaration*, the *Dromantine Communiqué of the Anglican Primates* (24/02/05), and the *Dar es Salaam Communiqué of the Anglican Primates* (19/02/07), we also affirm:

- The teaching of *Resolution 1.10 from Lambeth 1998*, as it reflects the teaching of Holy Scripture and the doctrine and teaching of global orthodox Anglicanism. We repudiate any action, statement or teaching which in any way obscures or contradicts these expressions of God's Word.
- Our desire and determination is to remain in full communion and close fellowship with the global Anglican Communion and we repudiate any moves in the Anglican Church of Canada to 'walk apart' from that Communion. I will take all actions necessary to maintain, confirm and strengthen our fellowship with the global Anglican Communion and our commitment to biblically orthodox Anglicanism.

Moreover:

- Led by the Holy Spirit, instructed by Scripture, in fellowship with the global orthodox Anglican Communion, and as encouraged by the Primates, we pledge our willingness to repent and to amend our lives so as to walk in holiness, seeking greater faith, hope and love in Christ
- So that we will humbly and compassionately minister to all people, witness to God's love, proclaim the Good News of God's Kingdom and make disciples of our Lord and Saviour Jesus Christ, we pledge to seek continual renewal by the Holy Spirit and reformation under the authority of God's Word.

So help us God.
